SACRAMENTAL REGISTRATION FORM

Sacramental Guidelines: *There is an important commitment expected of parents, sponsors and candidates when preparing for the reception of a Sacrament. Candidates are expected to attend all preparation sessions with a parent, guardian or sponsor. No other activities should interfere with the preparation time. For proper time to prepare, we suggest families consider only one Sacrament per family per year (this is a suggestion, not a request). Since Sacramental preparation is a very important part of a person's continuing faith development, we hope that parents consider the special needs and priorities, which should be addressed in your child's religious and faith life.*

Sacramental Readiness Criteria:

1. Weekly and Holy Day Mass attendance.
2. Enrollment in a Religious Education Program *(Faith Formation Program or St. Michael's School).*
3. Signs of God's presence in the life of the candidate.
4. Student's desire and willingness to be increasingly involved within the faith community.
5. Parental / Family support.
