Pastor's Report

- April 2019 financials – We have a financial surplus of around \$20,000 this fiscal year, this is primarily due to our lack of a Faith Formation leader. In next year's budget, priest salary will likely decrease due to sharing by parishes, and we are considering hiring a part-time Faith Formation leader.
- **Catholic Ministries Appeal (CMA)** – we are \$2,552 short of our goal (this may be final)
- **Sale of St. Michael's School Building** – Sale is in the legal process at the moment, rummage sale for items will be pushed back from June 21st & 22nd, looking into possible auction for desks and other items.

2019 Fundraising – We will receive a check from Tom Wahl's soon, results remain unknown. In the future, we may do another restaurant fundraiser with Pizza Hut or another restaurant. Raffle drawing is this Sunday – rough number is \$8,000-\$10,000 – much lower than previous years. Jacket sale is still on the table for the fall.

Wayne County Regional Planning – We are moving forward with the cluster plan. It is not final, but priests are looking into living locations. Daily/weekend Mass schedule will be officially released soon. Holy Days are yet to be planned.

Greeter Ministry – No recent updates.

Cleaning Ministry – There will be notices in the bulletin and signups in the gathering space for two weeks, then those that are signed up will be contacted and an informational meeting will be held, potentially on June 25th. After that, a cleaning schedule will be created.
