## OCTOBER 9, 2022 TWENTY-EIGHTH SUNDAY IN ORDINARY TIME

### Fr. Mike's Message...

#### Our Lady of the Rosary

Many of you probably already know that the month of October, along with the month of May, is a month that is dedicated by the Church to the celebration of Mary. In particular, the month is dedicated to Our Lady of the Rosary. But you might not know why it is the case that October is dedicated to Mary.

The feast day of Our Lady of the Rosary falls on October 7. This day was chosen because it commemorates a great battle that took place in the year 1571. Of course, this is greatly oversimplified, but over the centuries, there had been a number of military battles between the Christian forces of Europe and the Muslim Turks (these battles are commonly known as the Crusades). The Crusades were started by the Pope in the early part of the second millennium to try and check the rise of Islamic states that had conquered previously Christian areas. While the Crusades formally ended in the 13<sup>th</sup>-14<sup>th</sup> centuries, battles between the two sides continued. In the year 1571, the Turks were once again threatening to invade Europe. They had moved to the Mediterranean Sea and were approaching Venice and Sicily. It was at this time that Pope Pius V called for the kingdoms of Europe to send men to defend the Continent from the invaders. He also called for rosary groups in Rome and the rest of Europe to undertake special processions and recitations of the Rosary, begging for Our Lady's intercession. The two sides met at the battle of Lepanto, off the coast of Greece. Though surrounded and heavily outnumbered, the European ships broke the Turkish line and soundly defeated the invading forces. Europe had been saved, and Pope Pius V declared the day of the victory to be commemorated and dedicated to Our Lady of the Rosary. The tradition then grew that the entire month of October would be dedicated to Mary through the recitation of the Rosary.

Though no longer involved in the Crusades, we as Christians still face difficult battles throughout our lives. The Blessed Mother continues to be a powerful spiritual force for all of us. As our mother, Mary will always be there to watch over and protect us.

The month of October is a time when we can devote ourselves to praying the Rosary, using it as a constant reminder to seek out Mary's intercession, and to look to her whenever we are in need.

OUR LADY OF THE

**Building Strong Catholic Families**

Parents are mortified when their children act greedy in front of guests. We are constantly reminding our children to say, "Please" and "Thank You". Gratitude is a virtue and like all virtues grows when we practice the virtue. In this age of consumerism and the "me-centered" focus of today's culture, we must refrain from feelings of self-entitlement. Materialism and consumerism prevent us from enjoying and being appreciative of all that we have. We cannot think that we have a right to demand without giving anything in return and without giving thanks for all we are. Some ways to practice gratitude: Grace before all meals, Giving thanks to God for the many blessings we have, focusing on the good in our lives and the good in others, Not lamenting or complain about the things they do not have, and Appreciating others and the things they do for us to name a few. What are some ways your family can practice and grow in the virtue of gratitude.

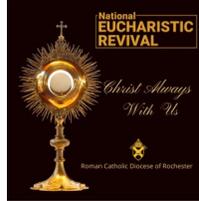

**A Year of Coming to Know God** What Reason tells us about God. When we talk about "reason" in this context, we're talking about our natural human intelligence. Our ability to make observations and draw inferences from our common experiences. Reason can come to know that God exists in two ways: First: By looking at the external world. Second: By looking at the human person
