The Rosary Altar Society of St. Michael's Church cordially invites parish members to a St. Joseph's Table on Sunday March 19, 2023 at 12 noon.

Here is some history regarding this celebration. Back in the 1400s there was drought and famine in Sicily. The people prayed to St. Joseph for relief. After the rains came and the crops grew again, the people wanted to thank St. Joseph. They decided to hold a feast and invited all the people, especially the poor and needy. This feast became a tradition over the years throughout Italy. Many families and parishes continue this tradition today. The feast consists of a festive meatless meal with pastas, bread, side dishes, and desserts. There is a special altar with a statue of St. Joseph and the table decorated with flowers, fruits and candles. It is also a celebration of Spring.

The Rosary Altar Society has been having their own St. Joseph's table for the last several years and this year since the feast day is on a Sunday, they decided to offer it to the parish as well. The special St. Joseph's bread will be donated by the Parish Council. Signups will be in the gathering space starting March 5. Please sign up so they will know how much food to prepare. There is no charge, but please bring a donation for the food pantry. Please come join the Rosary & Altar Society.

Everyday Stewardship

Can you believe Lent is here already? It seems like not that long ago I was decorating a Christmas tree! Time waits for no one and that is why it is important to make a mindful commitment now to not let this Lenten season pass you by. It is a great time to focus on growing as an everyday steward. The temptations are always there to procrastinate or to give in to spiritual laziness, but the Church's observation of Lent offers us so many tools to help us get on track. Increased devotions such as Stations of the Cross, various parish missions, or Lenten-focused literature are all gifts that your parish may be offering to assist you in this season.

With the Passion being the focus of Lent, it is easy to contemplate the value of true generosity. How could someone give more than Jesus? He gave until his life was spent on a cross. When contemplating how we can increase our generosity in all aspects of our life, we only need to look to the cross. Of course, this also brings home to us that more may be asked of us than we bargained. The temptation is to not give too much, out of fear that we might face persecution or worse.

But we take solace in the fact that we are disciples of One who had the same temptations. He overcame those temptations. He rejected the easy way out. His love and generosity could not be contained. He gave it all so that you and I have the chance to do the same.

This Lent, look to the greatest example of stewardship that ever lived. Jesus will show us the way to observe a Lent that will soon bring forth great Easter fruit.

Building Strong Catholic Families

When Jesus resists the temptations presented to him by the devil, he draws on his religious upbringing and tradition. Jesus is able to quote from Scripture because he is the Son of God and because he was a human person who lived his Jewish beliefs fully. We who are responsible for raising children are also called upon to immerse them fully in our Catholic Christian tradition so that they too will be able to draw upon this tradition to resist the temptations they will face in their lives.

A Year of Coming to Know God

Christ, Our Judge. The Church teaches that there will be two judgments:

1. A particular judgment at the end of each of our lives, and
 2. The Last Judgment at the end of human history
- In both cases, Christ Himself will be the Judge. This judgment will be very different than any judgment on earth for in an earthly court, the defendant already knows the truth, and the judge is the one who finds out about it. In the Heavenly court, the judge already knows the truth, and the defendant is the one who finds out about it. At the Last Judgment, God's entire plan will be revealed. Everything done and thought and said by everyone will be shown. All will be known, and the great beauty of God's magnificent scheme will finally be fully appreciated. Think of how wonderful it will be to watch God's home video collection with your parents, and your grandparents, and your brothers and sisters and your kids and grandkids – and God Himself! How we will praise our Creator and our Redeemer, when we see how good is everything that He has orchestrated.

Ember Days for the Eucharistic Revival

EMBER DAYS are the days of prayer and fasting that mark the changing of times and seasons in order to bring about deeper spiritual renewal. On these days, the Church "entreats the Lord for the various needs of humanity" and gives thanks to God for various blessings received (Universal Norms on the Liturgical Year and the Calendar, 45). Bishop Lucia invites both clergy and the faithful of the diocese to participate in the following Ember Days for the Eucharist Revival, a three-year initiative being undertaken by the USCCB.
